Personal Information

I am an MBA graduate and incoming PhD candidate in Strategy, with a strong focus on advancing research in technology, innovation, and entrepreneurship. My experience spans business analytics, product management, and digital platforms, where I have worked on bridging data-driven insights with practical implementation. My academic and professional journey is centered on contributing to both rigorous scholarly research and real-world applications, particularly in understanding how strategic innovation can drive entrepreneurial growth. I maintain a continuous interest in learning, development, and exploring emerging opportunities across diverse industries.

Education

Research Experience

Technology, Entrepreneurship, and Innovation Laboratory, Sharif University of Technology

Research Assistant, Supervisor: Dr. Jahanbakht

Jan 2024- Dec 2025

Teaching Experience

Business Model Innovation, Sharif University of Technology

Supervisor: Dr. Jahanbakht

Fall 2024

Web3 (Blockchain) Entrepreneurship, Sharif University of Technology

Supervisors: Dr. Tajedin, Dr. Bahramgiri, Dr. Bahrak

Spring 2024

Platform Business Models, Sharif University of Technology

Supervisor: Dr. Tajedin

Fall 2023

Technology Forecasting and Assessment, Sharif University of Technology

Supervisor: Dr. Roshani

Spring 2023

Management of Technological Innovation, Sharif University of Technology

Supervisor: Dr. Miremadi

Fall 2022

Computer Skills

Skills: Python, R, MATLAB, Stata, SPSS, SMARTPLS, Hyperresearch, NVivo, PostgreSQL, Sci2, Gephi

Techniques: Machine Learning (ML), Natural Language Processing (NLP), Large Language Models (LLM)

Test Scores

GRE General (November 2024): 328 (Verbal Reasoning:160, Quantitative Reasoning:168, Analytical Writing:3.5)

TOEFL iBT (December 2024): 108 (Reading:29, Listening:28, Speaking:24, Writing:27)

Certifications

Machine Learning Specialization (Coursera)

Mathematics for Machine Learning and Data Science Specialization (Coursera)

Database Design and Basic SQL in PostgreSQL (Coursera)

Crash Course on Python (Coursera)

Honors and Awards

- Schulich Entrance Scholarship (Merit-based Award)
- Placed in the top 10% of MBA Cohort at Sharif University of Technology
- Ranked 43rd among 40,000 Participants in MBA Entrance Exam
- Ranked in Top 0.1 Percent of 350,000 Participants in the Iranian National University Entrance Exam

Work Experience

Co-Founder and Business Developer, Vista Technology Group, (Jan 2020- Present)

- Co-founded and led Vista Technology Group, an IT firm focusing on software and data management services, overseeing both business development and project management.
- Led cross-functional teams to develop digital products from ideation to launch, with full accountability for project management, requirements gathering, and testing.
- Collaborated with software developers, engineers, and stakeholders to drive product innovation and resolve project challenges, ensuring high-quality deliverables.
- Developed and implemented project management methodologies and agile frameworks to optimize team performance and drive efficiency in the software development lifecycle.
